

Team Advocacy Inspection

Date: January 22, 2026

Location: Bostick's Adult Residential Care Facility

Conducted by: Sharon Reese, DRSC Team Advocate

Facility Information

Bostick's Adult Residential Care Facility is located at 1912 Duke Street, Beaufort, SC 29902-4404 (Beaufort County). The facility is licensed for 20 beds. The census was 16, with all residents on site at the time of the visit. Three staff members were on duty when the team advocate arrived at the facility. The administrator was present but left during the inspection. This departure was due to a previously scheduled appointment, but the administrator could be reached by phone if needed. Throughout the inspection, the supervisor assisted in providing the requested

documents. The DPH license was posted and current, with an expiration date of May 31, 2026. The administrator's license was posted and current, with an expiration of June 30, 2026. The listed administrator was Wanda Bostick- Burns. The facility had a documented emergency plan. In the event of an emergency, the facility will evacuate to Abundant Life Adult Care at 260 Seminole Drive Orangeburg, SC 29115. The advocate conducted an exit interview with the supervisor.

Overview of Visit

During the visit, the team conducted a site walk-through, interviewed six residents, and reviewed six resident records and medication administration. The team did not observe lunch during the visit. The lunch consisted of meat lovers' pizza, fruit salad, and lemonade. The lunch served matched the posted meal. The dining area was spacious enough for all residents and was nicely decorated. There was an adequate supply of perishable and non-perishable foods.

Report Summary

The kitchen water temperature was within the appropriate range. All the restrooms were clean. There was an outdoor area on the side of the home for smoking and socialization, which was appropriately furnished for the residents. None of the residents interviewed wanted to move. Residents stated that the meals were good. All residents stated they were given enough food, with the option of seconds (when available). All residents stated that they enjoy playing Bingo and would like to see more opportunities to play the game. Residents' personal ledgers were missing signage for the months of April, August, and October, 2025. All residents were comfortable expressing themselves to the advocate and gave positive responses to their overall care and treatment. There were no MAR concerns. The medication cart was double-locked, and all medication was properly dispensed and signed off correctly.
