

Team Advocacy Inspection

Date: January 13, 2026

Location: Midway Residential Care Facility #2

Conducted by: Sharon Reese, DRSC Team Advocate

Facility Information

Midway Residential Care Facility #2 is located at 4026 Moore Duncan Highway, Moore, SC 29369 (Spartanburg). The facility is licensed for 25 beds, and the census was 24, with all residents on site at the time of the visit. There were four staff members on duty when the team advocate arrived at the facility. The administrator was not present, but the Assistant Administrator and Supervisor were more than helpful. The DPH license was posted and current, with an expiration date of December 31, 2026. The administrator license was posted and current with an expiration of June 30, 2026. The listed administrator is Linda Walker. In the event of an emergency, the home will evacuate to Poplar Springs Baptist Church located at 790 SC- 417 Moore, SC 29369 and Cantrell's Residential Care Facility located at

124 Gladys Court Spartanburg, SC 29301-3701. The advocate conducted an exit interview with the Assistant and Supervisor.

Overview of Visit

During the visit, the advocate conducted a walk-through of the site, interviewed eight residents, and reviewed eight resident records and medication administration records. Medication monitoring was both organized and accurate. The advocate observed lunch during the visit, which included Beefaroni, corn, dessert, and punch. The posted meal was similar to what was served, but the listed spaghetti was substituted with Beefaroni, which was posted. The meal served was varied and looked very appealing. In addition to a grocery order arriving the next day, there was an ample amount of perishable and non-perishable foods.

Report Summary

The kitchen, which was clean and organized, met temperature standards. The restroom's temperatures were 108 and 105, and the restrooms appeared clean. The dining room had enough seating for all the residents. The den area had a home-like feel, but one of the couches had tears in the fabric/leather and needed to be mended or replaced. Residents appeared comfortable, and a majority informed the team advocate that they felt at home. An activity calendar offered activities such as devotion, Karaoke, Arts n' Crafts, and various games. Although there were mixed reviews about meal variety, the menu appeared to offer a variety of meal options. Other residents stated that the food was good. All residents stated they were able to get seconds if requested. All residents appeared clean and well-groomed.
