

Team Advocacy Inspection

Date: February 19, 2026

Location: Paths of Hope Community Residential Care

Conducted by: Sharon Reese DRSC Team Advocate

Facility Information

Paths of Hope Community Residential Care is located at 1004 RL Coward Road, Eastover, SC 29044 (Richland County). The facility is licensed for ten beds, and the census was ten, with nine residents on site at the time of the visit. When the team advocate arrived, one staff member was on duty, and another arrived during the inspection. The administrator was present and helpful. The DPH license was posted and current, expiring on April 30, 2026. The administrator license was posted and current, expiring on June 30, 2026. The listed administrator was Tyree Bush. In the event of an emergency, the facility will evacuate to Joanne's Community Care

Home #1 at 5048 Percival Road, Elgin, SC 29045. The advocate conducted an exit interview with the administrator.

Overview of Visit

During the visit, the advocate conducted a walk-through of the site, interviewed two residents, reviewed three resident records and the medication administration record. The advocate observed lunch during the visit which consisted of Corn dogs, chips, a sweet treat and choice of beverage. There was not a substitution menu listed, but the administrator informed the advocate that the use of substitution menus was in place. The listed meal was chicken salad, chips, sweet treat and choice of beverage. The restrooms were fresh and appeared clean. The kitchen and dining room were clean and organized with a theme. The dining area had a home-like feel and was roomy enough for all the residents. There was an appropriate amount of perishable and non-perishable foods.

Report Summary

The facility water reached the appropriate temperature. The restroom was fresh and appeared clean, with a water temperature of 108. The kitchen and dining room were clean and organized, with a theme. The dining area, living room, and den had a home-like feel and were roomy enough for all the residents. Throughout the home, residents moved freely. Other residents enjoyed relaxing on the seating provided outside the residence. The activity calendar listed activities such as movie day, exercising/walking, shopping, and residents' meeting day. All the residents appeared comfortable. The shared rooms were clean and appeared to have enough storage space for their belongings. Residents informed the advocate that the food was excellent and that they were able to get seconds. Residents liked the ability to go shopping at least every Friday, which allowed them to get their personal items.

Areas of Commendation

- The facility was well lit, clean, fresh-smelling and theme-decorated.
- The kitchen was clean and organized.
- The bedrooms were clean and sized appropriately for the residents in each room.
- All residents had sufficient storage space in all the bedrooms.
- The residents interviewed communicated favorable remarks about the facility, staff and meals.
- The residents are able to go on outings, specifically shopping when needed.
- All bathrooms were clean and had a fresh smell.
- The outside of the facility was inviting, and the residents appeared to enjoy being outside.
- The medication administration records and medication stock were accurate.
