Team Advocacy Inspection

Date: May 14, 2026
Location: Tyler Restmore Home
Conducted by: Sharon Reese, DRSC Team Advocate

Facility Information

Tyler Restmore Home is located at 1681 Broughton Street, Orangeburg, SC 29115-4875 (Orangeburg County). The facility is licensed for ten beds. The census was ten, with nine residents on site at the time of the visit (one arrived during the inspection). There was one staff member on duty when the team advocate arrived, and the administrator arrived shortly afterward. The DPH license was posted and current, with an expiration date of July 31, 2026. The administrator license was posted, with an expiration of June 30, 2026, and the listed administrator is Michelle Antley. In the event of an emergency, the facility will evacuate to JJ Residential

Care at 748 Green Street, Orangeburg, SC 29115. The advocate conducted an exit interview with the administrator.

Overview of Visit

During the visit, the advocate conducted a site walk-through, interviewed three residents, and reviewed three resident records and the medication administration record. The medication administration records (MARS) and medicine storage were accurate. The advocate observed lunch, which consisted of spaghetti (requested by the residents), mixed vegetables, toast, and a choice of tea, Kool-Aid, or water. The listed menu was chicken, rice, green beans, rolls, and punch or coffee. The substitution menu was posted by the administrator. The meal looked appetizing and appeared pleasing to the residents as they ate. There was an appropriate amount of perishable and non-perishable foods.

Report Summary

The kitchen water reached the appropriate temperature. The kitchen area was clean and organized. The inside of the refrigerator was clean, with food labeled appropriately. The restrooms appeared clean, with water temperatures of 109 and 110. The dining area was beautifully decorated with fresh flowers and was roomy enough for all the residents. The living room had a home-like feeling, and the residents seemed to enjoy watching TV and conversing. Residents also appeared to enjoy relaxing and smoking in the outdoor area of the residence. The activity calendar posted activities such as movie day, church service, and Bingo. All the residents appeared comfortable and walked around freely. Resident A expressed concerns about liquid soap. The resident stated that these concerns were communicated to the administrator. The administrator quickly responded and stated they would go shopping soon to find a more accommodating brand for the resident. The shared bedrooms were roomy enough for all the residents. All rooms were clean and appeared to have enough storage space for all the residents' belongings. All residents informed the advocate that the food was good, that the administrator listened to their concerns, and that they were treated with respect. The medication area was clean and organized, and the medication was accurate.

Areas of Commendation

- The facility was well lit and clean.
- The kitchen was clean and organized.
- All residents had sufficient storage space in each bedroom.
- Residents moved freely and conversed openly with the administrator.
- The residents interviewed offered favorable remarks about the facility, staff, and meals.
- All bathrooms were clean and appropriately decorated.
- The exterior of the facility was inviting, and residents appeared to enjoy spending time outside smoking and congregating.
